**Berg states that the Inauguration of Obama today will be
recognized as a “Sad Day” for America**

**when it is proven that Obama is “not qualified” pursuant to
the U.S. Constitution to be President.**

**Today begins a “Usurper” as President Obama is “ineligible”
to be President**

as Obama is “not” “natural born.”

We are headed for a “Constitutional Crisis.”

(Lafayette Hill, PA – 01/20/09) - Philip J. Berg, Esquire, the Attorney who filed suit against Barack H. Obama challenging Senator Obama’s lack of “qualifications” to serve as President of the United States and his case, ***Berg vs. Obama***, in the Third Circuit Court of Appeals is still pending as well as two [2] other cases regarding the question as to whether Obama is constitutionally qualified to be President.

Berg stated, **“It is a Sad Day for America as Obama is ‘not qualified’ to be President pursuant to ‘our’ United States Constitution. Today, unfortunately, a ‘Usurper,’ Obama, takes the oath of office as President and every law he signs and appointment he makes will be void. It is regretful that Obama has permitted this to happen as he knows he is ‘not natural born’ and this is the greatest ‘Hoax’ ever placed upon the citizens of the United States of America in 230 years.”**

Berg continued, “I am committed to keeping our efforts going to continue litigation until the truth of Obama being ‘not qualified’ for President comes out. There is nothing more important than ‘our’ U.S. Constitution and we will fight on!”
